Subject: Bios for the team deploying for the internal review

Mathy / Barry / Nitin,

Attached is a document with a short bio for the members of the team deploying to Region 8 tomorrow and charged with conducting the internal review of the Gold King mine release. You will see that we did not have detailed information on one member [from the Region 9 Office of Regional Counsel].

Please let us know if you have any questions about the team and their deployment plans. Thanks - Dana
